ACHS Announces Exam Schedule

The faculty and administration would like to provide parents with information concerning first semester exams.

The exam schedule will be as follows: Monday, Jan. 16th - period 1 and 4 exams. Tuesday, January 17th, period 2 and 5 exams. Thursday, January 19th, period 3 and 6 exams.

Every exam day consists of two three hour blocks of time. Each three hour period of time is designated for review and the administration of the exam. Also, additional time is being given this week for review. If an emergency causes a student to be absent and miss an exam(s), the student must make the appropriate arrangements with the teacher(s) for the make-up. All make-ups must be completed by 12:00 on Friday, January 20, 1978. Any exceptions to this situation would have to come from the administration. (Friday, January 20, has been designated as a teacher workday). Any exam not taken nor made up by the 20th will result in a failing exam grade.

Exams count 25 percent of the semester grade. The semester grade is derived as follows: 1st six weeks' grade = 25%; 2nd six weeks' grade = 25%; 3rd six weeks' grade = 25%; Semester exam = 25% Semester Grade - 100%

The final grade for each class is derived by averaging the grades for 1st and 2nd semesters. Both semester grades and the term grades are placed on the student's permanent record.

With a note from parents, or a call to the school, students who have a study hall in their schedule will not be required to attend school on the morning or afternoon of that period. Students should present their notes to their homeroom teacher.

Early dismissals will not be honored during the three-hour block of time.

Exams are designed to represent an overview of the material covered for the first 18 weeks. However, it is important that students not wait until the night before to study for the exam. A systematic approach involving re-studying notes, tests, quizes, re-reading chapters, worksheets, etc., should be employed weeks prior to exams. Nightly school work must be stressed. Teachers will be providing review experiences for students prior to exams, on exam days and on the 18th. It is our desire that all students achieve according to their abilities.

Report cards will be given to students on Tuesday, January 24, 1978.

If you have any questions, please contact the high school.

MRS. BESSIE ROBINSON HONORED ON BIRTHDAY

The George Martins on Route 3 in our fair Town of Appomattox were gracious hosts for a Birthday Dinner honoring their aunt, Mrs. Bessie Robinson, in their home on her 86th birthday, December 25th.

Guests attending were Miss Peggy Jordan, a friend; Mrs. Dorothy Perkins, a daughter; Miss Helen Stevens, Mrs. Lucille Martin, and Mrs. Lillie Stevens, neices; George Stevens and Howard Stevens, nephews; and Robert Watson. She received many gifts and gave thanks to God for her many wonderful years, and for allowing her to ride old "86" on this Railroad of Life.

Ms. Susan Bailey, personnel director from Armstrong Furniture, interviewed Cathy Tanner to show the Appomattox FBLA how an actual interview would take place at a business.

Ready For '78

The regular monthly meeting of the Appomattox Chapter Future Business Leaders of America at ACHS was held January 4 in the cafeteria.

Garlene Gaines, vice president, called the meeting to order. Sharon Roach, secretary, gave the minutes from the last meeting and Donna Gunter gave the treasurer's report. As there was no old business or new business, Garlene introduced the speaker, Ms. Susan Bailey, personnel director at Armstrong Furniture Company. Ms. Bailey talked about employment procedures and interviewed a business student to show how an actual interview would take place. The floor was then opened for questions and Ms. Bailey answered them.

Following the program, the meeting adjourned.

MORE HEAT, LESS WOOD! the HUNTSMAN means greater wood heating efficiency!
BUY THIS COMPACT HEATER NOW FOR ONLY $314.00 IF YOU PICK UP & INSTALL
The HUNTSMAN is your best buy in woodburners because...
- It has exclusive TRI-AIR draft controls for primary and secondary air intake
- Interior baffles, interior flue pipe, and upper heat chamber retain more heat
- Heavy-duty firebrick linings keep inside temperatures high
- Welded steel cast iron construction lasts longer
- Holds a slow burning fire for hours and hours

For the extra heat your home needs, or for any woodburning application, get the HUNTSMAN for more heat from less wood!
